Successful completion of US\$18.5 million Equity Fundraise

London, UK – 13 December 2022: Shield Therapeutics plc (LSE: STX), a commercial stage pharmaceutical company, is pleased to announce the successful completion of the placing (the "**Placing**") and the subscription (the "**Subscription**") which were announced earlier today. The Placing and Subscription were oversubscribed and accordingly have raised gross proceeds of c. US\$18.5m (c. £15.1m) conditional inter alia on shareholder approval. A total of 251,495,378 new Ordinary Shares to be allotted pursuant to the Placing and the Subscription are to be issued at an issue price of 6 pence per share (the "**Issue Price**"). The Company also announced details of an open offer to be made to Qualifying Shareholders to raise up to an additional £3.9m (the "**Open Offer**"), and together with the Placing and the Subscription, the "**Equity Fundraising**").

Pursuant to the Placing a total of 182,939,917 new ordinary shares of 1.5 pence each in the capital of the Company (the "**Placing Shares**") have been conditionally placed by Peel Hunt LLP ("**Peel Hunt**") and finnCap Ltd ("**finnCap**", and together with Peel Hunt, the "**Joint Bookrunners**") with new and existing investors at the Issue Price.

Additionally, pursuant to the Subscription, AOP Health International Management AG ("**AOP**"), a major shareholder in the Company, Hans Peter Hasler, Greg Madison, Dr. Christian Schweiger, Peter Llewelyn-Davies and Fabiana Lacerca-Allen, directors of the Company (the "**Participating Directors**") and certain employees of the Group have conditionally subscribed for a total of 68,555,461 new ordinary shares at the Issue Price (the "**Subscription Shares**" and, together with the Placing Shares, the "**New Shares**").

The New Shares represent 97.7 per cent. of the existing issued ordinary share capital of the Company. The Issue Price represents a discount of 11.1 per cent. to the closing price of 6.75 pence on 12 December 2022. Up to a further 64,346,927 new ordinary shares may be issued pursuant to the Open Offer (the "**Open Offer Shares**"). No part of the Equity Fundraising is underwritten.

The New Shares and the Open Offer Shares will, when issued, be credited as fully paid and will be issued subject to the Company's articles of association and will rank pari passu in all respects with the existing issued ordinary shares in the capital of the Company, including the right to receive all dividends and other distributions declared, made or paid on or in respect of such shares by reference to a record date falling after their issue.

Application will be made to the London Stock Exchange for the New Shares and such number of Open Offer Shares as may be subscribed for to be admitted to trading on AIM ("**Admission**"). It is expected that Admission will occur at 08.00 a.m. on or around 6 January 2023 (or such later date as the Company, Peel Hunt and finnCap may agree, being no later than 8.00 a.m. on 31 January 2023).

The Equity Fundraising is conditional on, amongst other matters, the passing of the Resolutions at the General Meeting. It is expected that the Placing and the Subscription will complete on or around 8.00 a.m. on 6 January 2023, being the expected date of Admission and that dealings in the New Shares and such number of Open Offer Shares as may be subscribed for will commence at that time. The Equity Fundraising is also conditional upon the

placing and open offer agreement between the Company and the Joint Bookrunners becoming unconditional and not being terminated in accordance with its terms.

General Meeting

The Circular containing a notice convening the General Meeting for the first week of January 2023 (expected to be 5 January 2023) will be posted to shareholders later this week. Further details will be set out in the Circular including the timetable for the Open Offer.

Open Offer to Qualifying Shareholders

In order to provide Qualifying Shareholders with an opportunity to participate in the Equity Fundraising, the Company intends to make an Open Offer to Qualifying Shareholders on the terms and conditions to be set out in the Circular. The Open Offer provides Qualifying Shareholders with the opportunity to subscribe at the Issue Price for an aggregate of up to 64,346,927 Open Offer Share to raise up to approximately £3.9m (before fees and expenses) for the Company, on the basis of:

1 Open Offer Share for every 4 Ordinary Shares held as at the Record Date.

The Open Offer is conditional on the Placing and the Subscription becoming or being declared unconditional in all respects and not being terminated before Admission. Accordingly, if the conditions to the Placing and the Subscription (including the passing of the Resolutions) are not satisfied or waived (where capable of waiver), the Open Offer will not proceed.

Further details of the Open Offer and the terms and conditions on which it is being made, including the procedure for application and payment, will be contained in the Circular, which will be posted to Shareholders and made available on the Company's website, www.shieldtherapeutics.com, later this week. A further announcement will confirm the posting date and availability of the Circular on the Company's website.

Capitalised terms in this announcement shall, unless the context demands otherwise, bear the meanings given to such terms in the announcement of the Equity Fundraising made via RNS on 13 December 2022.

Product Governance Requirements

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended, as it forms part of UK domestic law by virtue of the EUWA ("**MiFID II**"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II, as amended, as it forms part of UK domestic law by virtue of the EUWA; and (c) local implementing measures (together, the "**MiFID II Product Governance Requirements**"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the Placing Shares have been subject to a product approval process, which has determined that the Placing Shares are: (i) compatible with an end target market of: (a) retail investors; (b) investors who meet the criteria of professional clients; and (c) eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the "**Target Market Assessment**"). Notwithstanding the Target Market Assessment, distributors should note that: the price of the Placing Shares may decline and investors could lose all or part of their investment; the Placing Shares offer no guaranteed income and no capital protection; and an investment in the Placing Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Placing. Furthermore, it is noted that, notwithstanding the Target Market Assessment, Peel Hunt and finnCap will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Placing Shares.
